From the creative dream team that includes Rob Minkoff (*The Lion King*), Shane Morris (co-writer of *Frozen*), Emmy-nominated writer Elise Allen (*The Lion Guard*), and featuring key designs by legendary Disney designer, Ruben Aquino, (designed most of the key Disney characters from *The Little Mermaid* to *Frozen*) comes **Rainbow Rangers!**

**Rainbow Rangers** is a CGI animated show for preschoolers about the thrilling adventures of seven magical girls who are Earth's first responders – protecting people, animals, resources, and natural beauty of our world. The girls have their own wildly unique personalities and superpowers, and they live a rainbow's ride away in Kaleidoscopia – a fantastic land at the other end of the rainbow!

Whenever there's trouble for the people or animals of Earth, our seven heroines zoom into action and ride a rainbow across the sky to save the day. We'll join them on exciting adventures, but also see them at home having the same daily dramas and hilarities as every preschooler watching the show. And at its heart, **Rainbow Rangers** is about celebrating our differences. Every viewer -- boys and girls -- will see themselves in at least one of these strong, unique and empowered Rangers!

Worldwide rights are available for this colorful series which will launch **Fall 2018** on Nick Junior USA!
